Love God & Love People

Throughout the New Testament, Jesus' agenda is clear: reveal God's love by meeting the needs of those around him. Overwhelmingly, he spent time with the widows, orphans, criminals, prostitutes, and tax collectors – the people society had given up on. In our society, we too see hurting people all around us. So whatever you're facing, you're not alone. We're here to help!

Providing safe and affordable transportation in our community. Get a bike through our Earn-a-Bike program!

Resourcing people with household goods as they transition from homelessness to home.

- This is a referral-based program. Speak to your caseworker to start the application process.

A Faith-Based Recovery Community. We are all about Sobriety, but even more about getting to the roots and reasons and digging them right out with God's help.
*English Only

Transformational Housing for families or individuals coming out of homelessness and moving toward independence.
